You have to be a whole LOSER to progress in this game

It takes a whole year to build a castle and it takes 5 hours you build a small cart that you can pull around that hardly carries anything.

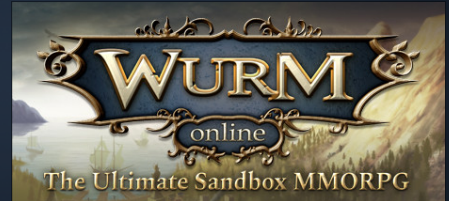

I also dug a large hole in the ground and trapped a few newbs, but then the admin came and filled in the hole which took me 2 hours to dig. I believe that's admin abuse, I thought this was a sandbox where i can do what ever I want....

Not to mention that graphics look dated and the PVP is lame and boring, so good luck with faction wars. And the admins are MEGA virgins

so over all the jist of it is that this game sucks and isn't worth the time / effort.
